

JIMMY TRAN

Personal Development, Internet Marketer & Social Entrepreneur & Philanthropist

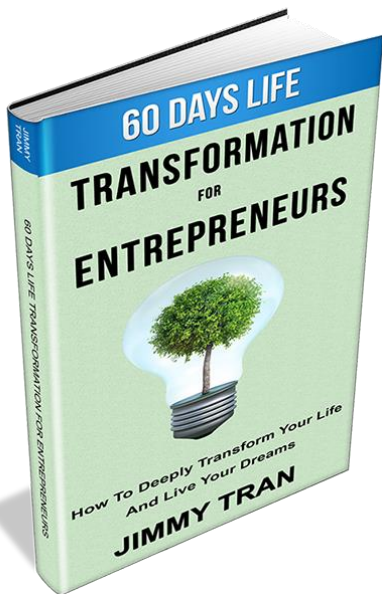

Jimmy Tran is the founder of Jimmy Tran Company, personal development, and internet marketing company, which focused on providing actionable, steps by steps training to help startup entrepreneurs achieve lasting success in their personal and business life.

Jimmy's goal is to help 1,000 startup entrepreneurs to find their real talent, the mission in life and turn that talent into a profitable & meaningful online business model using Internet Marketing by the end of 2016. Jimmy's hope to inspire entrepreneurs to add giving back into their business model to help other people in need around the world.

Learn more give back model at <http://jimmytran.net/givewater/>.

Jimmy Tran is also the co-founder of AquaheruFoundation.org, a non-profit 501c3 organization that provide clean drinking water to children worldwide.

Jimmy firmly believe in the power of Giving. Integrity. Transparent in his personal branding at Jimmy Tran Company. Now is the time to Listen More. Learn More. Give More.
